Meeting Notes

Areas of Business

- We reviewed the meeting with Mr Kelly and we would like to thank him for his feedback and the action taken on our concerns.
- We decided to write a letter to ask the canteen ladies to wear gloves.
- We received our badges and took photos for the school website.
- Mr Mulroe spoke to the students about school policy and a subcommittee was formed to discuss the matter. The subcommittee includes Eimear, James, Padraic, Susanna, Alice and Macy.

Areas of Praise

Students loved the new November exams in place of the Christmas exams. We combined a list of the positives and negatives to provide feedback.

Areas for Improvement

1. It was asked that 3rd years should be allowed to be on the big astro at lunch. It was suggested that one pitch should be for each year, one for 1st year, one for 2nd years and one for 3rd years.
2. First years would like a rugby team.
3. More bins are needed outside as there is a lot of littering taking place.
4. 2 desks and 2 chairs are needed in Mr Kierans and Ms McGuires rooms.
5. The Concert hall toilets are locked and we wish for them to be opened.

That concluded our meeting. We will meet again next month.
