

2025 Student Council Minutes

Date: 23rd of September 2025

Venue: Room 9 1:15-2:00

Attendance: Ms Bruen, Ms Darby, Ms Deery along  
with the majority of Student Council Members

## Meeting Notes

The meeting started with a congratulations to all 30 members that were elected. We then went over the major roles within the Student Council and we had a show of hands for anyone who wished to run for these positions, followed by Hustings where the candidates volunteering explained why they would be suited to the role. A vote was then taken from everyone present and the following were democratically elected:

### Roles for the Coming Year

**Chairperson:** Eimear Bolger (6th yr)

**Vice Chairperson:** James McEneaney (6th yr)

**Secretary:** Alice McCooey (5th yr)

### Areas of Business:

- All members received the Google Classroom code, to facilitate communication outside meetings
- We also gave in our sizes so that Student Council Hoodies could be ordered for us.

### Areas of Praise:

- 5th and 6th year's are very pleased with the new November assessments, as they will give students a break closer to Christmas.
- Tys enjoyed their induction day to Bay sports.
- Students were full of praise for the 1st year mass and refreshments afterwards, many thanks to the Home Ec and Religion departments for the time they put in to preparation in advance.

### Areas for Improvement:

- It was requested that senior students should not have to get their journals signed every week and should only have to get it signed if they receive a note.
- It was requested that skin fades be allowed, however it was decided that no further action should be taken as the rule has already been changed several times.
- Our TY's have asked why they are not being allowed out 5 minutes early at the end of the day and wish for the rule to be returned.
- The hand dryer in the junior boys toilet beside Mr Kelly's office is broken and we would like to get it fixed or replaced.

-We would like the stools in the home ec and old science labs to be replaced, as they are uncomfortable to sit on for long periods of time.

That concluded our meeting. We will meet again next month.
