

2025 Student Council Minutes

Date: 21st of October 2025

Venue: Room 9 1:15-2:00

Attendance: Ms Bruen, Ms Darby, Ms Deery along
with the majority of Student Council Members

Meeting Notes

Areas of Business

- 2nd and 3rd years were given the date of their parent teacher meetings and they agreed to help, serving tea and signing parents in and out.
- Student Council badges and jumpers were ordered.
- It was decided that instead of the shoe box appeal the student council would donate handbags to gaza. Students would fill the bag with things they think they could need including face cloths, hairbrushes and non-perishable foods.

Areas for Improvement

1. Students complained that the study hall is overcrowded, the desks are too small, the room is stuffy and warm and there are no clocks.
2. Students wish for the girls bathroom door in the gpa to be closed as it is in a crowded area and is extremely awkward.
3. Students say that bathrooms are extremely overcrowded and if in the future an extension is being added students recommend more bathrooms be added.
4. Students would like clocks in all the classrooms.
5. The girls toilets in the gym don't have toilet roll and one of the doors doesn't close.
6. Students think that the canteen ladies should wear gloves as it is unsanitary.

Raffle Money

The student council held a raffle at last year's TY musical and it was decided that the following things should be bought.

- 2 or 3 more microwaves
- A basketball hoop for the back astro
- Replace toilet seats in the bathrooms
- Sports equipment for example new bibs and balls

That concluded our meeting. We will meet again next month.
